ANNUAL GENERAL MEETING

The East Coker Society is holding its AGM on Tuesday 1 May at 7.30pm in the Dampier Room, East Coker Hall. All parishioners are members of the Society and are welcome to attend.

QUEEN'S DIAMOND JUBILEE – EAST COKER FAMILY PHOTOS

As part of the Diamond Jubilee festivities and commemorations, we invite all residents to contribute a family photo, taken outside their home for an exhibition at the Village Fete on 4 June 2012, so that we can mount a memorable record of those living in the Parish during 2012. You can take your own photo or ask one of a number of photographers in the village who have volunteered to help. These include Pauline Dagnall, Derek Marpole, David Pryor, John Snelling, Annette Beardsley, Tony Ford, Charles Hatton and Tony Mitchell. We would like digital photos so that we can display them via a laptop.

Pauline Dagnall is coordinating requests and contributions and can be contacted on 864206 or via pomod@btinternet.com if you would like to participate or have any queries.

A REMINDER!

Hopefully now that we are in British Summer Time, and the days are lengthening, the weather will realise this and give us blue skies and warm days.

Sitting or working in the garden needs to be a pleasant experience, and we must remember our neighbours, too. If possible, try not to cut your lawns on a sunny weekend afternoon, or have a BBQ too close to their boundary.

If having a bonfire, try to light it later in the day, there might be washing drying – and keep radios turned down, as not everyone likes cricket or Radio 3!

VILLAGE EVENTS DIARY 2012 – PLEASE USE IT!

The 2012 Diary is now at the Stores, East Coker, and can be found in the shop – please ask. **Please put forthcoming village events in the Diary to avoid dates clashing.** Thank you.

THE OLYMPIC TORCH

The Olympic Torch arrives in Yeovil on Tuesday 22 May at the early time of 7.39am at Park Road, and leaves Ilchester Road at 8.11am.

Village Clubs and Organisations

TIME TO SHARE

We have had a great start to the year, with attendance of more than 40 at most events! We have been singing, listening, looking at photos and eating wonderful homemade cakes which seem to arrive, as if by magic, on a Monday afternoon! We had heart-shaped ones for Valentine's Day and Egg-shaped ones for Easter. THANK YOU so much to all the wonderful East Coker cake-makers. I can hardly contain my excitement when I see the big boxes arrive at the door! I am allowed one cake, apparently - perhaps, when I am a bit older, I will be allowed two!!

So, here are some dates for your diary. Anybody is welcome to come along, and certainly very welcome if you can do something for 20 minutes to entertain us. Every other Monday afternoon at the East Coker Hall 2.30pm – 4.00pm.

30 APRIL	MENCAP (a talk)
14 MAY	THE QUALITIES OF ALOE VERA (a talk)

EAST COKER WINE CIRCLE

Membership of the East Coker Wine Circle continues to grow as people interested in fine wines get wind of the Circle's superb programme this year. For the small annual membership fee of £10 members are privileged to sample superb wines at most meetings presented by a variety of wine merchants around the South West. Such has been the success of the programme this year that the Circle is planning to spend more on its tastings and speakers in order to be able to offer members even better value for money.

In addition to the usual social events, the Annual Theme Party and the summer BBQ event, it is hoped the new programme beginning in August will include wine-related and sightseeing day and weekend trips.

Tickets are now on sale for the Circle's highly successful Theme Party, which this year will be held on Saturday 21 April at East Coker Hall. The ticket price of £8 for this fun evening will include a two-course meal and free punch. Non-Wine Circle members are welcome and should obtain their tickets from the Treasurer on 863555. The theme is Red & White (a tribute to St George). A competition will, on this occasion, raise money for Blind Veterans UK (formerly St Dunstan's) which helps blind ex-Servicemen and women lead independent and fulfilling lives.

Members continue to do well in wine festivals, the latest achievements being at the Somerset Amateur Wine Makers' Association where a total of eight trophies were won.

A winemaking course is also being considered.

EAST COKER VILLAGE QUIZ 2012

The Seventh Annual Village Quiz was held in East Coker Village Hall on 10 March. Twenty-one teams of eight competed in an evening of questions which tested their knowledge on subjects ranging from Her Majesty's Prisons to the Countries of Europe.

In the interval an excellent fish-and-chip supper was enjoyed by all.

This year's quiz was won by The Early Train team with the Poetry Group as runners-up, closely followed by the East Coker Preservation Trust team.

A good selection of prizes was generously donated for the raffle, which was well supported and contributed strongly to the overall proceeds for the event which came to a total of £910. This will be given to the charity nominated by last year's winners – East Coker Scouts Group.

Many thanks to all who helped with the smooth running of the event, and to all who gave prizes for the raffle.

Next year's quiz will be on Saturday 9 March 2013.

THE EAST COKER BULK OIL PURCHASE SCHEME

When I canvassed opinion at the end of 2010, the majority of people decided that a top-up in January/February and a fill-up in July/August was the best way to schedule orders. This January's order was extremely well subscribed. It ran to 23,500 litres in 32 drops, so participants were topping-up on a grand scale. As agreed, there will not be an order in April and the next order will be a fill-up in July or perhaps August.

As I've said before, the scheme is a great benefit to those who order less than 1000ltrs. In January, larger orders saved almost 2p per ltr over quoted prices for 1000+ltrs and smaller orders (the majority) almost 4p over the price for less than 1000ltrs. So we all helped each other. Could this be the Big Society in action! Before you ask, we just do the donkey-work; collecting the requirements, ringing round the suppliers and placing the order and you pay the supplier directly. If you have already taken part and found it worthwhile, encourage your friends and neighbours to join in. The more we can order, the better the price.

To participate or with any questions, contact me, preferably by email (pauleddwards@waitrose.com) or 864413. Email makes it much easier to circulate information and I do not divulge email addresses. I circulate an email reminder before co-ordinating each order. Paul Edwards

EAST COKER PRESERVATION TRUST

On the 1 March, a packed meeting at the East Coker Hall organised jointly by the Parish Council, ECPT and the East Coker Society heard about the latest changes in SSDC's Draft Core Strategy and how the Council were about to embark on a series of Area Committee meetings leading up to the decisions which will be made by the District Executive on 26 March and the Full Council at their meeting on 23 April. These decisions will finalise the version of the Core Strategy which will be published in May for six weeks public consultation.

East Coker people have attended all four of the Area Committee meetings, and we have been able to observe how all the councillors are reacting to and debating the draft proposals which have been put in front of them. It is evident that there is a significant level of discomfort with both the total housing numbers they are being asked to consider and the strategy to build 2500 houses in a single urban extension to Yeovil. At the Area South meeting there were many excellent verbal representations made by members of the public and these will need to be repeated for the wider group of **all** the councillors at the Full Council meeting.

We all need to continue to make our views known and it is particularly important that there is a strong attendance at the Full Council meeting to demonstrate the depth of concern over SSDC's intentions. This meeting will take place at the Gateway Centre at 10.00am on 23 April. More information about this meeting will be circulated before that date. Please note the new start time for this meeting – it is not as previously shown on SSDC website.

In the six week public consultation period it will be essential that as many people as possible make written, or online, representations about the published version of the Core Strategy. These will be sent direct to the Planning Inspector and so it is crucial that he/she sees the evidence and the strength of feeling which exist against the Council's plans. This may seem a bit repetitive but none of the 3,000 representations which have been made so far will be carried forward after the final plan is published.

In parallel with all this activity, we have been continuing discussions with legal advisers in preparation for a legal challenge which is likely to be needed if SSDC continue to pursue their strategy which is based on deeply flawed evidence. As you will be aware, these challenges in the High Court can be very costly so it is essential that we prepare for major fund raising in the coming months.

Many thanks to all of you who have pledged financial support for the legal challenge. We will keep you informed of progress on this front. We will still need to raise significant funds so if you have any suggestions or opportunities for fund raising and donations to support the Trust's work, please address them to the treasurer, Richard Vanderpump.

SSDC CORE STRATEGY TIMETABLE

EAST COKER MONTHLY CHARITY COFFEE MORNINGS

The year has started well with the January coffee morning generating £340 for Help for Heroes. In February the event was also very successful and a total of well over £500 was collected for Hope and Homes for Children.

Following the March event for Cystic Fibrosis, the next coffee mornings will be for:

- Special Care Baby Unit, Yeovil Hospital in April
- Sutton Bingham Church fund in May
- Yeovil Opportunity Group (Special Needs Pre-School) in June

Please come along to the Helyar Arms and give your support to these deserving local causes.

Many thanks to Matt and all the staff at the Helyar for the continued support they give to these popular village get-togethers.

ANOTHER SUCCESSFUL CHARITY EVENT IN EAST COKER

The regular attendance from the village to the Coffee Morning held at The Helyar Arms on Friday 24 February was boosted by a contingent of members and supporters of the Yeovil Rotary Club, the co-organisers. With a large turnout, well over £500 was raised for the charity **Hope and Homes for Children**. This charity, started by former British UN Forces Commander, Mark Cook, in Sarajevo now finds family homes for orphaned children in ten countries. On their behalf, our thanks to all who attended and to those who contributed to organising the event.

The Churches

ST. MICHAEL'S CHURCH

How lovely it is to be here for our first spring and to see the village and church looking so resplendent in the vibrant yellows of the daffodils! The burst of colour sets the scene so well for our forthcoming Easter celebrations.

The next three months take us through major festivals, all with a common theme of celebrating new life: Easter, Ascension and Pentecost, sometimes called the Church's birthday, when so many joined the Church after the disciples spoke to the crowds in their own language. As we look forward to celebrating these events again, so we also look forward to celebrating the Queen's Diamond Jubilee. We shall have a special service to mark the occasion on Sunday 3 June, when the church will be at its best, full of colour and eye-catching artistic displays, for a Flower Festival that weekend.

On Rogation Sunday, 13 May, we shall be thinking of the needs of the farming community and praying for the right weather for their crops to grow. With a degree of self-interest in mind, too, we shall also be praying for good weather for our church picnic in the Vicarage garden that day! We hope it will prove a lovely occasion for people to gather and enjoy each other's company, as well as the pleasure of a lunch al-fresco. Friends old and new are welcome to join us.

With every good wish for a very happy Easter, the Rev'd Charles Hatton.

A WALK FROM EAST COKER FOR THE CHILDREN'S HOSPICE IT'S CHILDSPLAY – SUNDAY 6 May 2012

The Children's Hospice South West (CHSW) is a charity dedicated to making the most of short and precious lives by providing hospice care for children with terminal illnesses. This 'It's Childsplay' event is a Yeovil area sponsored walk in support of Somerset's Children's Hospice at Wraxall. The very special care that Charlton Farm provides is vital; it also comes at a significant cost. With very little government funding they rely almost entirely on the generosity of supporters to enable the services to continue.

Local ROTARY clubs have been regular contributors to this organisation. Again, in 2012 a big effort is being made to raise a substantial amount through an 'IT'S CHILDSPLAY' walkabout on Sunday 6 May.

Last year, walkers starting from East Coker played a very significant part in helping to raise over £7,000 locally through 'IT'S CHILDSPLAY'. Let's make 2012 even better!

Everyone can help this very worthwhile event as a participant or sponsor. Participants in the Yeovil area can walk as far or as short a distance as they like and start from wherever it is most convenient. All we ask is that you finish at Yeovil Country Park (Nine Springs, by Goldenstones swimming pool) between 12 noon and 4.00pm and that each participant raises a minimum of £10.00 and brings this to the Finish. There are very attractive walks right on the doorstep in the park; ideal for families, dog walkers, groups, etc.

Entrants get a free 'IT'S CHILDSPLAY' T-shirt, a Completion Certificate and the satisfaction that they have made a difference. Refreshments will be available at the finishing line. Unavailable on that day? Then please help by sponsoring the event.

For sponsorship and registration forms please contact any Yeovil Rotary Club member or specifically:
John Hollis 863002 Peter Burrows 862218

If you would like to walk (about 3 miles) with a friendly group of local folk, then register now with either of the above to meet at East Coker Hall at 10.30 am on 6 May for orange juice, bacon roll and coffee to get you started on a suggested route.

Please come and join us.

EAST COKER PARISH COUNCIL

In January, several members of the public attended the meeting and supported the idea of producing a **Neighbourhood Plan (NP)**. This is part of the government's Localism Act encouraging the 'Big Society' notion of local people being involved in planning the future of their local areas. Members of the Parish Council have attended training on the production of the NP and as a result of advice given, the Parish Precept will include funding to support this activity. The writing of the NP will be facilitated by the Parish Council, but will need to involve the participation of as many community members as possible. As our plans proceed, we will make contact with you, but if you would like to register an interest in being involved, please contact Pauline Gubbins, Parish Clerk clerk@eastcokerpc1.wanadoo.co.uk; 862062.

We are very pleased with the **new path** joining the car park to the Pavilion and we have received encouraging comments from those who have used it. The wider path allows people to walk side-by-side as well as making the use of pushchairs and wheelchairs more possible. We managed to obtain funding for this venture from the **Awards for All grant of the Big Lottery**, which meant that our precious Precept funding was conserved. We are also improving the signs to remind dog owners of the need to 'scoop the poop' in order that we can all enjoy this wonderful area to the maximum. If you or your club or society has ideas for enhancing our Parish further, please let Pauline Gubbins know and we will do our best to seek external funding.

Plans are moving ahead for our **Queen's Jubilee celebrations** on the weekend of 2 – 4 June, and we are pleased to hear that the Queen will be visiting the South West on 1 – 2 May visiting Sherborne, Salisbury, Crewkerne, Yeovil and Exeter. Many clubs within the Parish are meeting regularly to plan the Fete and evening activities for Monday 4 June. We are considering how to commemorate the Jubilee and a variety of options is being considered including tree planting and the production of superior quality signage to direct people to landmarks within the village.

Councillor Binny Bennett visited East Coker Primary School to discuss the District Council's planned Urban Extension and there was much interest and lively debate from the children. We hope to involve the children appropriately in Parish Council matters now that **Councillor Kath Wilson** has become a local authority governor at the school.

Kath attended the Somerset Together (Local Strategic Partnership) conference on health and well-being. The proposed changes of the Health and Social Care Bill were explained as they affect South Somerset. A Shadow Health and Wellbeing Board for Somerset was set up in October 2011 and will be fully constituted by March 2013, when the legislation is in place. Data suggest that by 2027, most of the South Somerset area will have more than 24% of its population aged over 65 years. In 2010, male life expectancy in South Somerset was 80 years and female life expectancy 84 years (both are higher than the national average).

On 1 March, the Parish Council, in collaboration with the East Coker Preservation Trust hosted the second village **Open Meeting** to update parishioners on the SSDC draft Core Strategy. This was attended by almost 400 people and was followed by a very strong attendance at the SSDC Area South meeting on 7 March. Our joint efforts will continue in order that we secure the best possible outcome for the community.

We are informed that Somerset County Council has completed the **traffic survey**, but details are not yet shared with us.

Councillor Bridget Sugg organised a **Litter Pick** on Saturday 10 March and after her splendid bacon rolls, a trusty group set off to clean up the roads and lanes around the Parish. Many thanks to all those who gave up their Saturday morning to make our parish look even lovelier. Anything we can do to encourage people not to drop litter is most important. From an early age we learn either to hurl refuse anywhere or dispose of it responsibly. However if we all pick up litter when we see it, the beauty of our Parish will be maintained.

In spite of the withdrawal of funding from the County Council, it has been decided to continue to work with other parishes in the employment of the **Lengthsman** who undertakes numerous jobs to keep the Parish maintained.

The Parish Council team enjoyed participating in the **Village Quiz** on 10 March, even though they found many of the questions very challenging!! Well done to all those involved in the organisation.

Councillor Kath Wilson on behalf of East Coker Parish Council

STAMPS FOR C.L.I.C. (Cancer & Leukaemia in Children)

Thank you to the residents of East Coker for their used stamps. Please keep taking them into the Stores. They are then reused to make money for this charity, which funds vital research. Vicki will accept them and Lesley Lindsay will take them to the shop.

WHEN CRICKET WAS CRICKET

Many moons ago, the captain of my college's cricket eleven was a big and burly Yorkshireman called Robin Feather, who later skippered the Yorkshire second eleven, and whose habit it was when things in the field were going against us to shout at us, in Yorkshire-speak, "Pray for rain, lads". Oddly enough, this device sometimes worked, and fancy grew that Robin had found a way of spooking the opposition team into making a mess of their game. The skipper, however, was adamant that his prayer didn't work.

Well, of course it didn't work. The Almighty has bigger things to worry about. But after last year when the average rainfall was no more than 30ins (76.2cm), there is every sign that 2012 is going to be as dilatory, or perhaps even more so. In January, we had 2¼ins (5.7cm) at North Coker Hall; in February no more than ¾in (1.9cm), and with four apparently sunny days to go until the end of March, we have recorded only 1¼ins (3.2cm), for a first-quarter total of 4¼ins (10.8cm): multiply that by four and you have a prospective annual rainfall of noticeably below 20ins (50.8cm). There is nothing I can do beyond encouraging the residents of East Coker to murmur, every day if they will, "Pray for rain, lads (and lasses) until we get some"! And may endless rain-storms drown the malevolent intent of the urban 'extensionists' and the developers!!
