East Coker Society News

NEWSLETTER BY EMAIL

East Coker Society has been issuing news for the Parish since its formation in 1975. In those days, it was a simple broadsheet. Nowadays, we have far more clubs and organisations to issue communications for, so our editions are very much longer.

We are grateful to all those readers who receive their Newsletters by email as this saves us considerable time and cost printing, collating and delivering paper copies. If your household is still receiving a paper copy, then please help us to improve our green credentials by receiving your Newsletter by email. There is also the added advantage of receiving up-to-date news of events between our quarterly issues.

To sign up for email copies, it is a simple matter of emailing Lesley at l.lindsay@eastcoker.com and providing your full name and postal address. All personal details are secured and will not be disclosed to anyone else.

EAST COKER SOCIETY AGM

EAST COKER PLAYERS

At our AGM in January, members decided to make charity donations of £100 to School in a Bag and Yeovil Opportunity Group, from our Aladdin pantomime production. We also gave St John Ambulance £75 for attendance. We presented our cheques to representatives at our March meeting.

In February, we held a video evening watching our recent productions, and in March we held a workshop designing totem poles and wigwams.

Our next monthly meeting is Monday 4 June at 7.00pm, with a Wild West theme.

Players are currently looking for anyone one who would like to produce something for spring 2019 and/or future Pantomimes. Anyone interested would be fully supported by the knowledgeable production committee. If interested, please do contact us.

Anne 862060. Hazel 429163.

East Coker Players need more members for Pantomime

This year's Pantomime is 'Calamity Dame'. It is set in the Wild West, and should be great fun with lots of different parts and songs to sing.

We hold rehearsals in the Dampier Room on Mondays and some Wednesdays, 7.00pm – 8.45pm. We have Sunday afternoon rehearsals on the two Sundays before the show.

The show is on Friday 30 November and twice on Saturday 1 December 2018. We will provide your costumes and make sure you know what you have to do.

A script read-through will be held on 2 July at 7.00pm in the Dampier Room, and rehearsals start on 5 September at 6.30pm.

If you are interested or require any further information, contact Anne Hartley on 862060.

EAST COKER VILLAGE QUIZ 2018

The Thirteenth Annual Village Quiz was held in East Coker Village Hall on 10 March. Twenty teams of eight competed in an evening of questions which tested their knowledge on subjects ranging from Food and Drink to the names of well known Sidekicks. In the interval, an excellent fish-and-chip supper was enjoyed by all.

This year, The Poetry Group team was victorious, with The Early Train team as runners-up. The questionably prestigious wooden spoon prize, chocolate creme eggs, went to the Creme Egg Crew, who had clearly maintained their rigorous training regime to repeat their success of 2017!

A good selection of prizes was generously donated for the raffle, which was well supported and contributed towards the overall proceeds for the event, which came to a total of £856. This will be donated in equal shares to the Special Care Baby Unit at Yeovil Hospital and to the East Coker Scouts. These are the two charities nominated by last year's winning team, The Early Train.

Many thanks to all who helped with the smooth running of the event, and to all who gave prizes for the raffle.

Next year's quiz will be on Saturday 9 March 2019.

FILMFLIX – Films at East Coker Hall

The East Coker film season continues into May, after which there will be a break until September. Film Night is always the last Wednesday of each month. Please try to support the film nights, which are put on for the benefit of the community. A lot of effort is put in by a few people and we need to at least break even for each screening.

Wednesday 28 March – *Victoria and Abdul*

Based on Shrabani Basu's book *Victoria & Abdul – the True Story of the Queen's Closest Confidant*. This period piece is about Queen Victoria's later life. It's 1887, and the British Empire is celebrating Queen Victoria's Golden Jubilee. Among the kings and princes in attendance is Abdul Karim, a young clerk who has travelled to the event from his famine-ravaged India to present the aging monarch with a ceremonial coin. As the Queen questions the constrictions of her long-held position, the two forge an unlikely and devoted alliance with a loyalty to one another that her household and inner circle all attempt to destroy. As the friendship deepens, the Queen begins to see a changing world through new eyes and joyfully reclaims her humanity.

Starring Judi Dench, Ali Fazal, Tim Piggott-Smith, directed by Stephen Frears.

Wednesday 25 April – *Paddington 2*

From the producer David Heyman: (Harry Potter, Gravity, Fantastic Beasts and Where to Find Them). *PADDINGTON 2* finds Paddington happily settled with the Brown family in Windsor Gardens, where he has become a popular member of the community, spreading joy and marmalade wherever he goes. While searching for the perfect present for his beloved Aunt Lucy's 100th birthday, Paddington spots a unique pop-up book in Mr. Gruber's antique shop, and embarks upon a series of odd jobs to buy it. But when the book is stolen, it's up to Paddington and the Browns to unmask the thief. **Entry for children, accompanied by an adult**, will be £1.

Cast: Ben Whishaw, Brendan Gleeson, Hugh Bonneville, Hugh Grant, Jim Broadbent, Julie Walters, Madeleine Harris, Peter Capaldi, Sally Hawkins, Samuel Joslin. Director Paul King.

Wednesday 30 May – *The Greatest Showman*

This film celebrates the birth of show business, and tells of a visionary who rose from nothing to create a spectacle that became a worldwide sensation. When P.T. Barnum loses his job after the company's bankruptcy, he sets out to finally give his family the life he promised them by reinventing himself as 'The Greatest Showman'. He starts putting together a circus, trying to create a show like nobody's ever seen before. But, for a unique show, he'll need unique performers unafraid to stand out – after all, no-one ever made a difference by being like everyone else.

Starring Hugh Jackman, Zac Efron, Michelle Williams and Zendaya – a soaring musical with songs by the Academy Award-winning songwriters behind 'La La Land'.

Director: Michael Gracey

Showings commence at 7.30pm. Doors open 7.00pm. Entry £6 per person.

EAST COKER GARDENING CLUB

Another three months have passed – so quickly – and now we are into official 'spring', although we might not have thought this would ever arrive, given the freezing temperatures and layers of snow. The year started with Neil Lovesey, when we learnt that there are in fact 12 seasons in the gardening year – not four as we had previously thought. As usual, Neil gave an interesting, illustrated, informative talk, entitled *Twelve Months of Colour*, which gave members ideas on how to achieve colour all year round.

In February, we discovered how plants can act as companions to each other, as well as to the gardener. It seems likely that, within the next five years, chemical treatments currently available to the gardener will disappear, so companion planting is certainly something to consider. Already many of us plant marigolds and basil with our tomatoes and know this works well. It could be worthwhile trying out some of the other planting combinations: coriander against aphids, horseradish amongst the potatoes. Use Allelopaths (nature's weedkillers): over-sow the couch-grass with turnip or swede, sow calendula to get rid of the mare's tail. Avoid monoculture by diversifying the plantings in our gardens and vegetable plots. Use garlic as a natural fungicide. Use plants to attract predators and as lures to attract 'pests', and to provide support and shade.

In March, Pauline and David Wright gave an illustrated talk on their garden, '*Lift the Latch*', which followed their efforts over 33 years in creating a beautiful, all year round garden at Forton, near Chard – a fairly local garden which is well worth a visit.

The programme for the next few months:

12 April	<i>Hestercombe – Restoration of the Edwardian and Victorian Gardens</i> The Head Gardener, Claire Greenslade, will talk on these very special gardens at Taunton, which cover three centuries of garden history.
3 May	<i>Crevice Gardening</i> - Paul Cumbleton
14 June	<i>Birds of Prey Display</i> - Falconry UK
9 August	<i>Trug making by a miserable Trugger – I think that's what the wife called me</i> - Carl Sadler

Day trips planned for 2018 are:

Wednesday 23 May	Hestercombe Gardens, Taunton (waitlisted)
Wednesday 25 July	Longstock Park Nursery, Stockbridge, followed by Heale Gardens, Salisbury

Non-members are welcome to join the day trips – please contact Stan Shayler for details.

The small committee does an excellent job of planning the programme, making every effort to ensure that the majority of members are able to benefit from most of the talks, events and trips.

Meetings, day trips and the annual holiday are all very well supported. New members and visitors are always welcome. We are a friendly lot – why not join us for an enjoyable, sociable evening? You do not need to be good at gardening; talks cover a wide variety of subjects. The annual subscription is £15, with subs of £1 per meeting. Visitors £3. Meetings are held on the second Thursday of each month, commencing at 7.30pm in East Coker Hall, Halves Lane.

For further information, please contact Helen Styles 862447 or Stan Shayler 420291.

THE EAST COKER BULK OIL PURCHASE SCHEME – JULY 2018

We topped up in a big way in January – 46,700 litres in 56 drops. Darch did us a very good deal at 42.70 ppl +VAT. How did we know about the Beast from the East? Hasn't the way it snowed and then thawed so completely and quickly both times been extraordinary. My long-suffering dog Scruffy thought the first batch was the wrong sort of snow because each paw broke through the frozen crust and she sank up to her middle – jolly hard work. Good news was she turned round and took herself home pretty quickly. It was the equinox today, so Spring has sprung and I hope you've got enough oil left to take you through to the fill-up in July/August. The clocks spring forward next weekend and then summer will have started. I only acknowledge two seasons; Summer and Winter, Light and Dark.

Before you ask, I just do the donkey-work; collating the requirements, ringing round the suppliers and placing the order and you pay the supplier directly. Please note that with some suppliers the delivery note is also the request for payment and there may be a surcharge if you don't pay promptly. If you have already taken part and found it worthwhile, encourage your friends and neighbours to join in. The more we can order, the better the price.

To participate or with any questions contact me, preferably by email pauleddwards@waitrose.com or 01935 864413. Email makes it much easier and quicker to circulate information and I do not divulge email addresses. I circulate an email reminder before co-ordinating each order in January and July.

THE ROYAL BRITISH LEGION EAST & WEST COKER BRANCH

I'm making a little plea in this edition of the East Coker Newsletter for new members; please consider joining us by contacting our Membership Secretary Dave Giles 433644, or on-line: www.britishlegion.org.uk or better still meet up with like-minded others at our Cheese & Wine Evening in East Coker Hall at 7.30pm on Friday 20 April.

Here is a statistic, which is not good reading: about 11% of the current prison population are ex-service personnel, and many are suffering from a mental illness.

Some of you will have already read about Andy who served in the RAF for 16 years as an Aviation Engineer. He continued his career with the MoD, but fell into alcohol addiction, lost his job, his family, even his home and ended up on the streets. After numerous visits to court Andy was given a custodial sentence which he hoped would break his cycle of drinking. Whilst in prison Andy made his first contact with the RBL.

After his release, the Legion helped him with one month's rent and a deposit so he had somewhere to live, enabling him to start a new life. Andy said "When I was at my lowest ebb, the Legion was like a circle of light around me. I gained my self-respect and dignity". He has now completed a degree and a Postgraduate Certificate in Education at Cardiff University. He also teaches English to International Students throughout the summer.

There is a Winston Churchill quote that sums it up:

"We make a living by what we get, but we make a life by what we give"

By becoming a member, you will be helping many other veterans and their dependants old and young. Please help us to help them.

This year the country is **commemorating the end of WW1**. Events are being held nationally and locally between 8 August and 7 November. Please see local press, magazines and village notice boards for information.

We are hoping to put up displays in our churches and at our coffee mornings.

If you have any WW1 memorabilia such as photos, poems, clothing, tools etc. which you are willing to loan for display, please contact: Myself 862782, Bill Petheram 863551, Marilyn Smith 863944, Clifford Humphreys 862242, Wendy Weston 862472, Caroline Field 863271.

EAST COKER PRIMARY SCHOOL

We have had a very exciting spring term which was added to thanks to the 'Beast from the East', which resulted in closing the school for several days. Despite this, our children have taken part in a lot of events this term.

Our Year 3 pupils have been receiving free flute lessons for the term to inspire the children in taking up a musical instrument in the future. We will hold our Annual Spring Concert next term to celebrate our talented musicians as they get the opportunity to perform to their parents. Our school choir will be performing, as well as individual musicians. We will also be holding a special music day with Samba Drumming next term just for our infant pupils.

Due to the significant increases in sporting clubs we have been able to offer this year, we have had a very busy and successful sporting term. Our Netball 'A' Team have qualified for the County finals, which will be held at Millfield School in April. In football, the girls' team have won three tournaments so far. We have also increased the number of teams and age ranges taking part in football under the care of our Sports Teacher, Jodie Dingle. We have finished in the top ten in every race in both our Year 5/6 and Year 3/4 cross country teams. Two of our pupils won every race they entered!

Our children have also attended a gifted and talented sports event at Bucklers Mead, and they had a great day competing in wheelchair basketball, tag rugby, tri golf and blind football! Some of our children were invited to the MOTIV8 festival which used real life versions of video games to engage the children in physical activities.

Other events which have taken place this term have included a local walk for the Owls and Robins classes, while the Goldfinches and Magpies class have visited 'At Bristol' to learn about animation for their topic 'Movie Mania'. They are currently green screening as we speak. In addition to this, all the infant classes have had a special day using computing and Lego as part of their 'Structures' topic,

We have also had a 'Play in a Day' for our older children, along with celebrating World Book Day and Sport's Relief.

We ended this term with two special events, our house day and Easter Egg Hunt. Well done to Pendomer house. They achieved over 2,000 house points this term and got to wear non-school uniform on our last day.

Thank you to everyone who has supported the school this term. You can see more of the things we get up to by visiting our website at www.eastcokerschool.co.uk

I hope you all have a lovely Easter.

Jane Hesketh-Williams Head Teacher

EAST COKER SCOUT GROUP

The recent snow falls have affected a number of events, in particular the scout backwoods/survival camp and the World Jamboree selection weekend where both were shortened to ensure everyone got home safely. The previous snow had made the District Day Hike, starting and finishing at East Coker, an interesting challenge of snow drifts and mud. Our team completed the distance very well with no problems, whereas a couple of teams had to be picked up.

During the backwoods event, the scouts set up their own bivouacs using trees, rope and groundsheets. They were shown how to prepare mackerel, pigeon and rabbit before cooking and eating a delicious rabbit stew.

Three of our explorers and one scout attended the World Scout Jamboree selection at Huish Woods campsite near Taunton. Over 50 were competing for 27 places in the Somerset contingent. They undertook a series of team challenges – putting up a patrol tent, transporting water using lengths of guttering and pulling a car out of a ditch – to see how they worked within a team and established friendships with new people. They also cooked pancakes at lunchtime and pasta and vegetables for tea. **Bethan, Ruby and Clare have all been selected to attend the Jamboree and are starting to raise £3,450 each. Please look out for events that we will be organising and support them in any way you can.**

We successfully won £1,000 from the Aviva Community Fund, and have already used it to install eight new wall heaters. The difference to the temperature in the hut is astounding. We are now looking towards the next elements of our refurbishment - the new entrance and associated fire escapes. As well as looking after the hut, we must also look after our equipment. We emptied our stores during a weekend to catalogue everything we hold. This has been invaluable to ensure we insure ourselves for the correct amount and also highlighted the need to replace some tents and equipment.

The Beavers have been cooking; designing and making for their Builder Activity badge; lighting candles for their Skills Challenge badge; and will have a visit from the Police Community Support Officer.

The Cubs have been working through their World Challenge badge, Air activities (numerous paper planes flying around the hut) as well as their Community Impact badge with a session on refugees.

The Scouts have been working towards their Photographer Badge - taking, assessing and editing pictures. Cooking hike rations on Trangias (portable gas cookers) and discussing the equipment needed for a hike; all preparation towards the Fox Trophy hiking competition.

All sections are looking ahead to next term when all will be camping and spending much more time outside. Once again, after a break of many years, we will be parading in Yeovil for St George's Day on Sunday 22 April.

The Chief Scout has awarded both David Webber and Kevin Woodcock the Award for Merit in recognition of outstanding service to Scouting. These awards reflect the considerable time and service David and Kevin have given to East Coker Scout Group.

Waste Paper Collection

The collection point is outside the school, opposite the Village Café, on the last Saturday of each month, from 8.30am to 10.30am. If possible, please flat-pack your newspapers and tie into bundles.

Hardington and West Coker Cricket Club are proud to be holding ALL STARS, a new youth training course aimed at introducing new young people to have a try at cricket.

The course is available to children aged 5-8yrs.

Sessions will run on Wednesday evenings from 5.00 – 6.00pm, with our first session on **Wednesday 16 May** and the final session on **Wednesday 4 July**.

We will also have an open '**bring a friend and try it**' session on **Saturday 5 May** where children who are thinking of enrolling or who have enrolled can bring a friend along and see what All Stars is all about.

When you register for the 8 weeks of coaching, there is a £40 fee. Within this cost, your child receives the following: 8 weeks of 1 hour coaching sessions; cricket goodies; including a backpack, water bottle, T-shirt, bat and ball, which they will bring along to each session and keep at the end of the course.

We will have the club house open where parents and siblings are able to wait and watch the session, and we will have the bar open and tea and coffee available to purchase, and a small tuck shop.

As a club, we pride ourselves on being family friendly and encourage everyone to enjoy the club's atmosphere. We hope the 5-8 year olds in East Coker will join us.

Sadly, Emma is leaving her role as Children's Worker. We are very sorry to see her go; she has, in the short time she has been with us contributed a great deal to move our work with children and young families forward, for which we thank her and wish her well in the future. We will be advertising for a new Children and Young Families worker very soon. If you think you may be interested or know someone who would be, keep a look out for the advertisement or contact me, Judith.

EAST COKER PARISH COUNCIL

Defibrillator In memory of Councillor James (Jimmy) New, the Parish Council will be purchasing an external defibrillator, which will be located at the Pavilion, Long Furlong Lane. Details regarding training will follow shortly via the Parishioner email list from the Clerk and social media pages.

The Chapel A request for quotations for ceiling repairs has been sent to a number of contractors, and it is hoped that the works will start in the spring with completion by October.

Neighbourhood Plan The plan has now been submitted to South Somerset District Council (SSDC) for them to arrange another 6-week consultation exercise, known as Regulation 16 consultation, which will be handled by the SSDC. This will be advertised by them, but we will be pressing for this to be progressed as soon as possible.

Following this, SSDC will arrange for the Plan to be formally Examined by an independent examiner, who will consider all the comments made on the Plan and may well recommend modifications. After this, the Plan can progress to the Referendum and hopefully, final approval.

Pavilion Recreation Grounds After improvements to the playing fields and the installation of semi-permanent goals, all age groups for East Coker Cockerels Football Club are now accommodated at the Pavilion. The Parish Council are also looking into refurbishing and improving the Pavilion, more details to follow. The fencing around the children's play area will be repaired as soon as the weather permits.

If you see the **Ranger**, Karen, working in and around the Parish, a cuppa would be most welcome. If you see anything that needs her attention, please contact Chairman B Sugg, 863435 (no calls after 6pm please).

Annual Parishioner Meeting – Thursday 19 April – 7.00pm –East Coker Hall. An opportunity to meet your Parish Council and discuss any issues you have. The meeting will start with the formal process of introductions and agenda items at 7.00pm, followed by refreshments and an informal questions and answer session.

East Coker Photography Competition The calendars have proved a great success and it is hoped to hold another competition later in the year for the 2019 calendar. Details to follow.

Highways - Pot Holes Please report any pot holes to the Clerk. SSDC give a six week lead time for repair. If possible, could you please include a photo of the pothole and its location. Thank you.

Dog Waste Bins The waste in these bins goes to Landfill, along with other household rubbish, and is not recycled.

Grant Aids are available from the East Coker Parish Council for the benefit of East Coker Groups and Societies. If you have a parish group which would benefit, please contact the Clerk for further details or download the application form from our website.

We have an ongoing issue in the Parish with **'fly tipping'**. If you see any rubbish that has been dumped illegally, please contact the Clerk.

The Parish Council hold a **monthly meeting**, every 2nd Wednesday, 7.00pm at the Pavilion. It is a public meeting to discuss planning and other issues affecting the Parish. You are all welcome to attend. If you would like to speak at the meeting, please contact the Clerk.

Rake's Progress

A garden tidying and maintenance service.

No job too small! Friendly and hardworking local service, based in East Coker.

Call Neil on 07581 538713 for a free, no obligation quote at a competitive price.

BONFIRES

It will soon be sunny days and warm nights, and gardeners will be cutting and clipping their shrubs and hedges, so please think to plan really well before having a bonfire. Please inform neighbours, and check that hedgehogs have not taken up residence. Think of the direction of the wind, and don't allow damp material to smoulder. Late in the afternoon allows people to enjoy sitting in the sun, washing to be dried, and gardening to be done without having to retreat indoors from bonfire smoke and falling ash. Please be neighbourhood-friendly.

REFUSE COLLECTIONS – May Bank Holidays 2018

The Wednesday recycling collection (green bins etc) will be one day later on Thursday 5 April.

HELP IN THE SNOW

Can I, on behalf of all those who are getting past their sell-by date or frail, thank the more able members of the village during the snow. I especially greatly appreciated the calls to check I had enough food and was ok, and for the people who cleared a path from my front door to the road. It brought back memories of 1973 when I went round on my skis, when the village was cut off for 3 days, checking others. Thank you all.
